PRICE BOOK NO. 169

Effective: March 30, 1973

TERMS AND CONDITIONS OF SALE: Terms are 1% for cash 10th of month following date of invoice, due net thereafter, F.O.B. Factory, Bedford, Ohio. All orders are subject to acceptance by The Taylor Chair Company at its office in Bedford, Ohio. Prices are subject to change without notice and all orders are accepted subject to prices prevailing at time of shipment. Distribution of this catalog does not constitute an offer to sell.

CLAIMS: All shipments are delivered to the transportation company in good condition and our liability ceases at that time; therefore, if a shipment is received short or damaged, your freight bill or express receipt should be endorsed and you should immediately file claim with the transportation company. We suggest that all merchandise be inspected immediately upon arrival at destination. In every instance, we will try to ship via the customer's carrier as specified. If no instructions are received, we will ship via whatever carrier, in our opinion, is best.

CANCELLATIONS: All orders are considered as firm orders and are not subject to cancellation without our approval. Orders for special finishes, special upholstering or special construction are not subject to cancellation after work has been started. Orders for upholstered chairs may not be cancelled or changed after upholstery cover has been cut. A cancellation charge may be made based on expense incurred in processing the order up to date of cancellation.

RETURNS: No merchandise may be returned for credit without our previous agreement. In the event of return by agreement, a handling charge of 15% will be deducted from the credit invoice. No furniture will be accepted unless return transportation charges are prepaid.

CARTONS: All chairs in this price list are packed in our standard cartons without extra charge. Chairs are shipped one to a carton.

TAYLOR FINISHES: We offer the following finishes, which are a satisfactory match to many of the oil and lacquer finishes available on the market.

Walnut Chairs	**Oak Chairs**
Walnut No. 1 — Regular Lacquer	Oak No. 1 — Regular Lacquer
Walnut No. 4 — Boiled Linseed Oil	Oak No. 4 — Boiled Linseed Oil

If special finishes are required to match your sample or specified manufacturer's sample, involving no bleaching, there will be an extra charge per chair of $5.00 full list; mild bleaching $6.00 full list; and extreme bleaching or toning $8.00 full list. Should an extremely large quantity of chairs be involved, we suggest that you send us a sample for our examination and finish quotation. Since wood is a natural product, some variations in color and grain will occur. In our finishing processes, we try to blend these to lessen the variation. It should be realized that this cannot always be done to perfection. When requested, we match desk manufacturer's finishes as closely as possible. However, we cannot accept responsibility for the finish remaining true. All chairs are manufactured of American Black Walnut with covered stocks of hardwoods unless otherwise specified.

TAYLOR'S STOCK
UPHOLSTERY COVERS

All chairs are priced in our stock leathers, vinyls and decorative fabrics. Individual samples of upholstery covers carried in stock will be sent on request. Upholstery cover cards are available at $4.50 per set or $ .45 per tab. All upholstery covers not listed in this price list are discontinued from our stock.

LEATHER

TGL LEATHERS PRICE COLUMN 1: A selection of regular top grain leathers. This grouping consists of well established colors and features both mottled and plain leathers.

HIGHLAND LEATHERS PRICE COLUMN 1: This new leather tanning process gives you an extra soft leather, usually available at much higher prices. The two-tone antiquing is performed by hand to highlight the natural characteristics of the hide, i.e. barbed wire scratches, fat wrinkles. There will be wide color variations with the hides because of the hand antiquing.

VINYL

STOCK VINYLS PRICE COLUMN 3: Taylor's Custom-Hide "TV 200" series of heavy duty vinyl is available in a wide range of new colors. Its leather look and grain enhance contemporary and traditional furniture for office, lobby or institutional applications. The luxurious soft "hand" deep, full grained texture and subtle color range make this exclusive new collection the most versatile of vinyls.

This non-expanded vinyl makes it more resistant to scuffing than most expanded vinyls.

If flameproof vinyl is required, please write for quotations and availability.

DECOR 64 PRICE COLUMN 4: Uniroyal's Decor 64 is available in all colors at the column 4 price.

NON-STOCK VINYLS: Most vinyl manufacturers vinyl is available at the column 3 price plus 5%, for example, Dupont, B. F. Goodrich, General Tire, Kensington. Special priced vinyls will be priced as shown in the C.O.M. column 6 plus an extra charge based on the cost of the vinyl to us. Please write for a quotation.

DECORATIVE FABRICS

BORIS KROLL: Taylor has developed a program with Boris Kroll so that Boris Kroll Designers Collection of fabrics will be available to all Taylor dealers. A Taylor dealer who is part of this program only has to specify the Boris Kroll fabric number on his order and Taylor will supply the fabric at the C.O.M. column 6 price plus the Boris Kroll net price times the chair yardage. This program enables our dealers to issue one purchase order for Boris Kroll fabrics on Taylor chairs, with no freight expense, and no mark-up by Taylor.

There is a one time charge of $50.00 for the current selection of over 600 fabric swatches. Boris Kroll will advise when new samples are available and will send them when requested at no additional charge.

TAYLOR STOCK DECORATIVE FABRICS

All Stock Taylor Fabrics Are Scotchgard Treated.

HIGHLAND FABRIC PRICE COLUMN 1: Highland "TN 900" series of fabric is Taylor's newest extra heavy slubbed 100% nylon, Scotchgard treated. This premium material is available at the column 1 price. There is an extra charge for this material when used in combination with leather and vinyl. (See Upholstery Combinations.)

TAYLORSPUN NYLON PRICE COLUMN 4: TE-140 – TE-159. These heavy weight 100% Taylorspun nylon fabrics are an answer to the old fashioned Gros Point. This fabric was tested on the Taber Abrasion test and went 15,000 cycles without a surface break. This is more than 50% more durable on this test than Gros Point. This fabric is Scotchgard treated.

TAYLOR WOOL PRICE COLUMN 5: 100% Taylor Wool "TK800" series is Scotchgard treated and available in 12 new colors at the Column 5 price. These new colors will harmonize with our leathers and vinyls.

SCOTCH-FAB PRICE COLUMN 5: Taylor's new Scotch-Fab "TK 600" series of fabrics is Scotchgard treated and available in 16 new colors which harmonize with our leathers and vinyls.

This material is available when specified to meet F.A.A. Flame Resistance Specifications, Part 25 Sec. 25.853(a).

(Specify "Flame Resistance TK" on your order. Use Price Column 5 and add $4.00 list for each yard, as listed in the Upholstery Requirements in the Price List. If other flame resistance specifications are required, please write for our quotation.)

GROS POINT PRICE COLUMN 5: All colors are discontinued when present stocks are exhausted.

CUSTOMER'S OWN MATERIAL (C.O.M.) PRICE COLUMN 6: Note that our Column 6, Customer's Own Material price is the same whether the cover supplied is leather, vinyl or fabric.

SHIP YOUR OWN MATERIAL TO:

The Taylor Chair Co.
75 Taylor St.
Bedford, Ohio 44146

MARK packages with:

A. Your name and order number
B. Our Order confirmation number
C. Design number of upholstered pieces upon which cover is applied.

We "railroad" all our stock fabrics. If you do not want your cover cut with the selvage horizontal, please advise on your order.

Yardage requirements for cover materials are based on plain fabric 54" wide. If the fabric has a large pattern or stripes, please submit samples and we will advise the addditional material required. In many instances, fabrics with repeating patterns or large stripes require additional time in cutting, sewing and upholstering due to the necessity of matching. In instances where the fabric furnished requires this special handling, we will advise you of the extra upholstery charge before the fabric is cut. We are not responsible for the applicability or wearability of customer's materials sent to us.

SPECIAL NON-STOCK COVERS: If we are asked to supply a special non-stock fabric, leather or vinyl, the chairs will be priced as shown in Column 6, plus an extra charge based on the cost of the material sent to us. Consult us for quotation.

UPHOLSTERY COMBINATIONS: Leather or vinyl POSTURE CHAIRS, excluding the Jet series, are regularly supplied with your choice of any Taylor stock fabric seat at no extra charge except TN grade fabric, for which there is an additional charge of $8.00 full list.

Jet chairs, upholstered in leather or vinyl, are regularly supplied with your choice of any Taylor stock fabric on seat and inside back at no extra charge except TN fabric, for which there is an additional charge of $16.00. Although leather or vinyl is not recommended on the plain inside back of the Jet chairs, if required, it can be supplied. Add $20.00 list for leather and $10.00 list for vinyl.

On any chairs not regularly supplied with a fabric seat, any Taylor stock fabric may be substituted for vinyl seats on all vinyl chairs for $8.00 full list except TN grade fabrics, which are $12.00 full list.

Any Taylor stock fabric may be substituted for leather seats on all leather chairs at no extra cost except TN grade fabrics, add $8.00 full list.

Fabric on reverse side of cushion is standard on chairs utilizing a loose seat cushion when upholstered in vinyl or leather.

CASTERS: Walnut bases are equipped with a combination plate and stem soft rubber ball bearing 2" diameter caster. Hard tread casters for wood bases are furnished if specified at time of order at no extra charge. We do not recommend hard rubber casters on plastic floor mats.

Extra sets of 2" hard or soft rubber plate casters may be purchased for $9.00 list per set.

Metal bases are equipped with hooded 2" soft rubber casters.

SHEPHERD CASTERS or FAULTLESS ROYAL-ROLL Casters may be substituted for regular casters at $12.00 list. We do not guarantee these casters or our wood bases utilizing these socket casters. When ordering, specify brass, satin chrome, mirror chrome or bronze.

GLIDES: RUBBER CUSHION COPPER OXIDIZED STEEL GLIDES are standard equipment on all leg chairs.

SCUFF PLATES: Tenite 11 plastic scuff plates are standard equipment on all revolving chairs with wood bases except on traditional chairs which feature a fluted base. A base with scuff plates may be substituted for the traditional base if requested on your order.

BASE OPTIONS: TAYLOR TAPERED STEEL BASE No. 21 with hooded casters is available on most of our chairs regularly supplied with a walnut base. Add to the wood base price and specify:

21S Satin	Add $22.00 list
21M Mirror	Add $27.00 list
21B Statuary Bronze	Add $32.00 list

TAYLOR STEELWOOD BASE No. 41 with bronze hooded casters is available on most of the newer swivel and posture chairs. It utilizes a steel frame in combination with solid walnut wood, creating a handsome, contemporary base. Add to the wood base price and specify.

41W Walnut	Add $22.00 list
41O Oak	Add $22.00 list

PEDESTALS: TAYLOR'S TAPERED STEEL PEDESTAL No. 31 is available on certain chairs whose design permits attachment of the unit. This pedestal utilizes Collier-Keyworth self-centering Zytel hub and mechanism and is equipped with 1-1/2" diameter pivot bearing glides. Specify:

31B Statuary Bronze
31M Mirror
31O Oak Covered Steel Understructure
31S Satin
31W Walnut Covered Steel Understructure

JURY BASES: A Standard, non-self-centering Jury Base in brown or black finish can be supplied on any revolving chair at an extra charge to $8.50 full list. A jury base can be made to rotate and tilt, tilt and not rotate, and rotate and not tilt, or be made stationary. A Slim Line Contemporary Jury Base is available at the same price as the Standard Jury Base plus the following options:

Brushed Chrome	$11.00 list per base
Mirror Chrome	$14.00 list per base
Antique Bronze Finish	$32.00 list per base

Add $2.00 list per base for Self-Centering and Tilting feature on either style of jury base.

DESIGNS: Designs shown in our catalog and priced in our price list are and remain our property. We reserve exclusive rights to produce them and manufacture them.

You will note that some designs in our catalog have design patents listed and others have design patents pending. Anyone duplicating them or planning to have them reproduced will be liable to patent infringement regulations.

Every day, new and improved materials are becoming readily available. We retain the right to change, at any time, materials or construction methods which, in our opinion, will improve our product. All measurements and weights in the catalog and price list are approximated for your convenience.

EXAMPLE OF NUMBERING SYSTEM:

First two digits indicate style of arms
Last two digits indicate length overall, including arms

1530 INDICATES 1500 STYLE ARM, 30" LONG.
1578 INDICATES 1500 STYLE ARM SOFA, 78" LONG.

BACKS

Tight back construction is standard on all sofa styles. (See No. 1578, Sofa System Brochure, page 4; chairs on page 6.)

For a loose cushion back, use the suffix LC (See No. 1690LC on page 3; chairs on page 7.)

LOOSE CUSHIONS

All loose back cushions are dacron wrapped urethane foam, zippered and reversible. Seat cushions are urethane foam.

Number of cushions to be determined by Taylor for best proportion.

When ordered in Vinyl the complete cushion will be made in Vinyl. Leather will have a matching fabric on the reverse side of all cushions.

Tight back sofas any size will have 2 seat cushions.

Loose back sofas 54-60-66 will have one seat cushion and two back cushions.

72-78-84 will have one seat cushion, 3 back cushions.

90-96-102 will have 2 seat cushions and 4 back cushions.

ARMLESS VARIATIONS

Arms may be omitted from any sofa or lounge chair. Designate arm **TO BE RETAINED** with suffix.

R = Right arm from sitting position
L = Left arm from sitting position
C Center section, no arms

Select the **SIZE** and **PRICE** of the design **WITH ARMS.** Deduct 3" width for each arm deleted and for:

1500 Group Deduct $16.00 list for each arm

BACKS

Tight back construction standard on all sofas and chairs. Loose cushions (suffix LC) available on all sofas and chairs **except** 1700 style T backs. Loose cushions are reversible, zippered, of dacron wrapped urethane foam. Number of back cushions will be used by Taylor for best proportion.

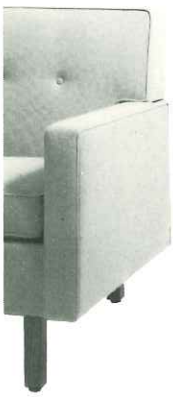
All styles may be ordered plain or button back (prefix B). Tight backs will have one row of buttons; loose cushions two rows.

SEATS

All sofas and chairs have loose seat cushions, urethane foam, zippered and reversible. Number of sofa cushions will be used by Taylor for best proportion. Seats are all 17″ high.

1500 Style Arm

1600 Style Arm



1700 Style Arm

ARMS

All arms are 3″ wide. Arms may be omitted on any sofa or chair 1500 or 1600 number; designate arm to be retained with suffix R (right arm, sitting) L (left arm, sitting) C (center section, no arms). Order next width sofa for desired width after each 3″ arm is omitted.

WOOD BASE and LEGS

Wood base (suffix WB) available on all chairs and sofas up to 84″ inclusive—see style on sofa 1678 WB and chair 1530 WB. All legs have rubber cushion glides. Six legs on 84″ to 102″ sofas.

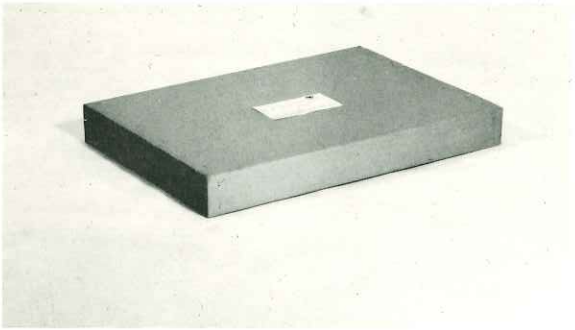
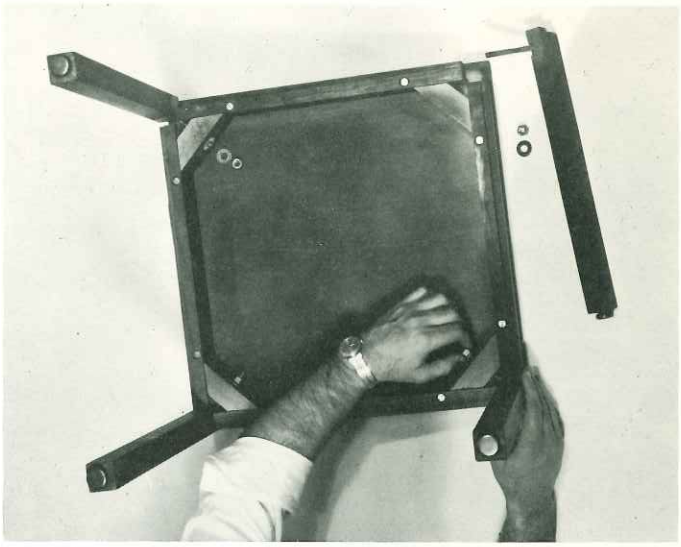
TAYLOR TABLES to compliment Sofa System, chairs and furnishings in various types of rooms are designed for light appearance. The construction is rugged for daily use in contract or residential interiors.

Three basic heights, 16", 22" and 29" and three basic top shapes, square, round and rectangular are stocked in all the sizes shown. Special heights are available at a nominal extra cost. Any 22" height may be ordered with a wood magazine shelf.



To save shipping costs and warehouse space Taylor Tables are cartoned K.D.



Top and 4 legs are easily assembled as shown above. 16" and 22" *legs are interchangeable.*

TAYLOR TABLES SPECIFICATIONS

WALNUT TOPS and SHELVES

Shall be 3/4" finished, built up of 11/16" three ply Flakecore, a 1/32" plain sliced walnut veneer with a 1/32" poplar backing sheet. All shelves are walnut. Tops larger than 72 x 36 are 1-1/4" finished.

PLASTIC TOPS

TT9542T Textolite textured walnut.

RAILS

16" and 22" heights shall be solid walnut finished 1-1/8" x 2" with exposed sides grooved with a 3/8" cut.

29" height, including 72 x 36, shall be 13/16" x 2-3/4" wide with top side of rail grooved with a 3/8" cut. Tables larger than 72 x 36 shall have 2-3/4" rails without grooves.

LEGS

16" and 22" heights shall be 1-1/4" square with a 5/16" x 3" hanger bolt attached to leg with a hexagon nut and washer for KD assembly.

29" height, including 72 x 36, shall be 1-1/2" square with two 5/16" x 3-1/2" hanger bolts attached to the leg.

Tables larger than 72 x 36 shall have 1-3/4" square legs.

CONSTRUCTION

Rails shall be screwed to the underside of table top with #12—2-1/2" screws. Corner blocks are glued and screwed with two #12—1-1/2" screws and so placed that the center hole in corner block aligns with the hanger bolt in the leg to make a strong joint. Tops shall be flush with the rails except tables larger than 72 x 36 which shall have a 2-3/4" overhang. Round tables have a 2" overhang.

FINISHES

#4 Oil or #1 Lacquer Walnut are standard.

TAYLOR SWIVEL MECHANISM

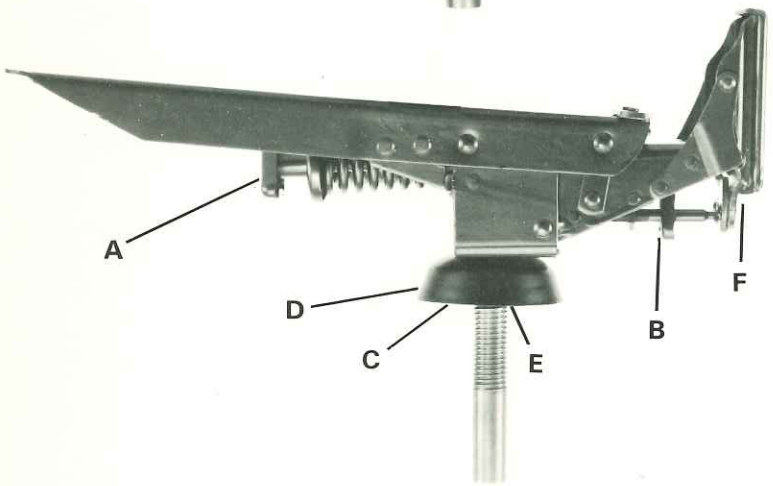
The low silhouette design of this mechanism is representative of most of our swivel mechanisms. The low fulcrum and heavy construction provide a luxury ride for long lasting quality.

A — Handwheel provides fine adjustments to tension or tilting action.

B — Bell adjusts sitting height.

C — Heighth adjusting washer holds chair at desired height.

D — Set screw to hold swivel base.



TAYLOR BALANCE — EASE POSTURE MECHANISM

This is the finest executive posture chair mechanism. Four handwheels control five adjustments so that the chair may be adjusted to fit all individuals.

A — Handwheel adjusts tension of tilting back. This same handwheel also automatically coordinates the amount of seat rise with the back action.

B — Handwheel adjusts the forward or backward pitch of back, resulting in increased or decreased sitting depth.

C — Bell adjusts sitting height.

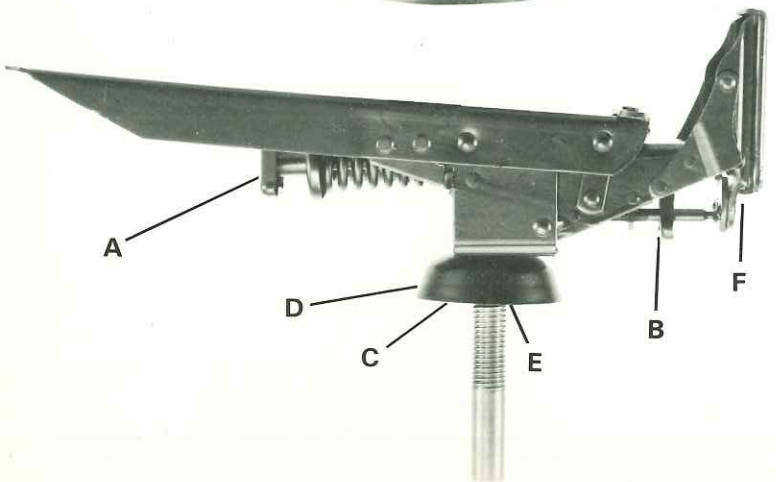
D — Set screw locks the mechanism to swivel base.

E — Heighth adjusting washer holds seat at desired height.

F — Handwheel (not illustrated) on the back plate of chair adjusts height of back support.

TAYLOR SLIM LINE JURY BASE

For use where decor or function requires pure design and a symmetrical orderly arrangement of chairs fastened to the floor. Can be used with tilting or non-tilting mechanisms and can be equipped for self-return or limited rotation. Any swivel chair may be ordered with this mechanism.



TAYLOR EZ TILT MECHANISM

Taylor executive posture chairs are available with the same tilting action as a desk swivel chair. The posture chair components are mounted on our "EZ" mechanism to give you the swivel chair action. Our "EZ" mechanism enables you to adjust the pitch of the back of the swivel chair. This important feature is not available on our regular swivel chairs.

To order "EZ" tilt action, add "EZ" immediately following the posture chair number, i.e. 6515-1/2EZ, 45-1/2EZ.

NOTE: "EZ" tilt action is not available on the 4800 and 2800 series of executive posture chairs. Although this mechanism looks like the posture chair mechanism, it gives you the swivel chair tilt.

A — Handwheel provides fine adjustments to tension or tilting action.

B — Handwheel adjusts the forward or backward pitch of back, resulting in increased or decreased sitting depth.

C — Bell adjusts sitting height.

D — Set screw locks the mechanism to swivel base.

E — Height adjusting washer holds seat at desired height.

F — Handwheel (not illustrated) on the back plate of chair adjusts height of back support.
